Dear Mr Clark,

For your information the Islamic Council is an umbrella for Muslim movements and organisations throughout the world. I enclose a brochure which outlines our activities.

We very much welcome your initiative in setting up the International War Crimes Tribunal and your presence at the public hearing in London on 1 December. We admire your courage and the principled stance you have taken on this issue and your efforts to bring it into the public domaine.

Unfortunately I shall be abroad on 1 December and unable to attend the meeting although I am sending representatives. I should, though, very much like to meet you if possible if you are in London for any length of time, or even elsewhere when convenient. If you would get in touch with my office perhaps a mutually convenient time could be arranged.

I wish you every success in your mission and look forward to hearing from you. With best wishes,

Yours sincerely,

Salem Azzam
